*Following the service, if you are able to stay for the meal, please proceed to the Fellowship hall.*

*Wherever you went, whatever you did, because of the love in your heart, people were drawn to you. When you invited us to visit, we were treated as Royalty. Your smile, your warm embrace, your kindness was immeasurable. The core of the family. In times of Joy, celebration, you were involved, in times of grief, sorrow, advice, you were sought out. Anytime, you were asked for.*

*Now, although the physical presence may no longer be there, to reach out and feel, the comfort of your words, the mere lighting of a room with your smile and those dimples... we have to trust in our Father above, and know that your spirit is there. It is not easy to accept, and may be a while yet until we will no longer mourn your absence. This is simply a testament to the tremendous impact you had!*

*Never Goodbye, those words will not be uttered. Our faith teaches us that soon and very soon, we will meet again, but for now, I will shed a tear, manage a smile, and treasure the memories. ...*

*God, thank you for the gift of life, thank you for the time we had with our Dolly, in time, may the peace that surpasses all understanding touch our hearts. In the name of the Father, the Son and the Holy Ghost... Amen*
